This is testimonial for Mr. Zahid Sheikh for Pest Control

Our society needed pest control service from last 2 months. we gave this contract one person before 2 months but their service is not proper and not proper time when we need.

But when I join BNI then I came in contact to Mr. Zahid sheikh, that time I listen from the members about him and his services a lot. Then we discuss in the managing committee and gave contract to him and he did good job in our society his service was too good and proper time to time and fast. White Ants, cockroaches are removed from our society within 1-2 week. I like his service.

we the member of the society thoroughly touched by the kind of personalized & caring service offered by Mr. Zahid Sheikh .we wish Good Luck to Zahid Sheikh and have no hesitation in refereeing him to whomsoever.
